

Press release

Exhibitor registration for interpack 2023 is open now

Registration for components opens simultaneously

Interested companies from the packaging industry and the associated processing industry can register for interpack 2023 online at www.interpack.com right now. The trade fair will take place from 04 to 10 May 2023 at the Düsseldorf Trade Fair Centre.

interpack is a platform for complete value chains. This includes processes and machines for packaging and processing packaged goods, along with packaging materials, packaging containers and packaging manufacture, complete with services for the packaging industry.

Exhibitors that gained approval for interpack 2021, which was cancelled due to the pandemic, can rebook.

The supplier trade fair, components, will take place in parallel with interpack again. You can also register for this now, at www.packaging-components.com.

16 March 2021

Press and Public Relations for interpack
Sebastian Pflügge (Executive Team Manager for Press & PR)
