PROTECT AND CUSTOMIZE

Our mission is to offer solutions which protect food from its elaboration up to consumer with quality packaging.

SAPAL SA
Av. du Tir-Fédéral 44 - 1024 Ecublens - SWITZERLAND - Phone +41 (0)21 633 53 00 - Fax +41 (0)21 633 52 11 - info@sapal.ch - www.sapal.ch

We create unique solutions that help our customers stand out at point of sale.

Sapal, your reliable partner

With more than 110 years in the food industry, Sapal is an international leader in the packaging of premium products mainly for the cheese, chocolate and bouillon industries.

Based in Ecublens, Switzerland, Sapal designs and manufactures high-tech and innovative standalone packaging machines. According to the request, our offer can extend to complete packaging lines. Sensitive to sustainable development, our team of engineers is constantly developing new solutions to be at the forefront of technology while respecting the environment by reducing the consumption of packaging materials, for example. Our expertise in the variety of packaging offered with a wide range of styles and materials, as well as our Global Customer Service make us one of the leading suppliers of packaging solutions.

Choosing Sapal means choosing a leader of packaging machines who will understand your needs and be on your side to optimize your productivity and develop your sales.

Share with us your project, we'll share with you our global expertise and know-how in packaging.
